Hello Paul!

Unfortunately, there is  
nothing else. The school  
will not make a statement  
other than, "He is on medical  
leave and his contract will not  
be renewed." The student's  
involvement (2) also will not make  
a statement.

He appeared to a council committee  
for reinstatement and was denied  
"Too much grey."

What I had more info. nothing in  
this case is "Black or white".

Dear Don:

I appreciate the material previously sent concerning the above named individual. We have practically everything we need, but feel that any additional information you could give us would strengthen our refusal of registration anywhere in the country.

Can you get a statement in writing from the school or is there to be any legal action which would help to support our case?

Please give us any material that would help us, as we want to protect youth across the country.

Thanks again for your help.

Sincerely,

Paul Ernst, Director

Dear Don:

We appreciate the material which you recently sent concerning the above named individual. This is most helpful to our file and will enable us to identify Mr. Montague should he attempt registration with the Boy Scouts of America in some other location.

We would like to know if there is to be any legal action taken related to the alleged sexual advances. If this is to come to trial, we would like to have this information, so that we can have a complete file that will substantiate refusal of registration anywhere in the country.

Thanks for your help in completing this matter.

Sincerely,

Paul Ernst, Director

Dear Mr. Montague:

Recently, the Jayhawk Area Council has received several phone calls from volunteers in the Seaman High School District. After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA Membership is a privilege and is not automatically granted to everyone. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated.

Sincerely yours,

  
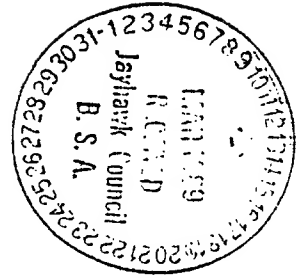

Richard Crawford  
President

Dear Don,

This letter is to document our phone conversation related to information I received by phone from Mr. Stan Thompson of Topeka, Kansas. Today, March 8, 1989, Mr. Thompson called me to alert the BSA that he had been told that Jeff Montegue of Topeka, Kansas had been suspended from his teaching position at Seaman High School for inappropriate conduct with a male foreign exchange student. Mr. Thompson stated that he received this information from a student. This student knew Jeff Montegue through Scouting. According to Mr. Thompson this student asked an assistant principal when Mr. Montegue would likely return to his duties and was told that his return was unlikely.

This letter is my request to you to pursue this matter and determine appropriate action.

Sincerely,

Roy L. Williams
